ORDER 6-12129 of **02.06.2025** to the ORDER for distribution within the
deadline - IMMEDIATELY along the chain CIK #: 0001328041 / "Bulgaria" DUNS:
52-364-3611 of this ORDER on the corporate companies of Illegal, Illegal and
Criminal "authority" for Information and Enforcement!

2 This content of this ORDER, announces an **imposed** by Law from a superior authority (Sovereign) **on** a subordinate or Illegal, Outside the Law and Criminal after 1992 which Illegal, Outside the Law and Criminal "authority" has committed **the act** of Coup d'état in **2005** (Prohibited by the Constitutional Court 1991.07.13 SG 56 Article 1 Paragraph 3 explained) on the territory of the Sovereign **after** 18-21.10.2024 RR-Request_Report-ECB-VCommision 00483\7,8\810015 ; PR- Request Report 004(8)88810016 21.10.2024 ITNJ-EN 16.12.2024 00483\7,8\81024 in 2025 Report / Request 004888128 - 12.02.2025 ; Request / Claim 004888127 - 17.02.2025! TD ILLEGAL POWER ; Ban / Request 0062(5)3(7)0130 24.03.2025

3 The subject of this ORDER is **the indefinite** compliance with this text **without** objection, **without** being provided for by Law by a Sovereign for Their Excellencies against them by an inferior "power" **without** powers, except for the available **criminal** , Outside the Law, explained!

4 The members of the Sovereign, Their Excellencies, consider the action of the ANNEX No. 2 to ACT No. 1 **III Part** under Item **1** for Certification, also under Item **5** for Executive Body for tasks of a Sovereign, on the territory of the same name, **former** "third Bulgarian state", explained!

5 This ORDER is **based** on - an expert opinion **without** limitation for names that make the "fate" of the "third Bulgarian state" in **its** bandit form of schizophrenia (fear of consequences for Law 404) under the weight of **the facts obtained** - IRREVOCABLE and duly provable, based on an expert text by Ivan Todorov Gruykin (lawyer) and Sonya Krumova Mladenova (*Member of Parliament in the Seventh Grand National Assembly, 22 Sofia-district multi-mandate electoral district, as well as in the 36th ordinary National Assembly. Previously, he was a Deputy City Prosecutor at the Sofia City Prosecutor's Office; Chief Legal Advisor at the Committee on Labor and Social Affairs; and Senior Expert on Legislation at the Legislation Directorate at the Ministry of Justice. In the Grand National Assembly, Sonya Krumova Mladenova is a member of the Committee for Drafting the Constitution, Secretary of the Legislative Committee, Deputy Chair of the Committee for Drafting the Rules of Procedure of the Grand National Assembly. In the 36th Ordinary National Assembly, Sonja Mladenova is a member of the National Security Committee.*)

In Conclusion. The actions of the Illegal, Lawless and Criminal "power" against Their Sovereign Excellencies are not possible, do not lead to a good perspective for the perpetrators, **regardless of** the motive !

/ Sovereign former "Bulgaria" 1878-1992 Quod Licet Lovi Non Liced Bovi "What is permissible for Jupiter is not permissible for a cow" former "bulgaria" on the Balkan Peninsula /

FIRST Clarity. There is a First **Ban** after **1992** on carrying out actions on the territory of the former "third Bulgarian state" **that ended** 33 years ago in 2025 through a Preclusive **Term** , which Blocks, Stops, Suspends, Prohibits **indefinitely** any initiative by a party, organization or individual, Prohibited in the text for the Assumption of State Sovereignty under the Constitution after 1992.07.13 / which was done **after** this date!

The power has been **usurped** by an illegal form of organized **crime** group (OCG) because of the same bandit interests, which are developing effectively,

extremely fiercely as **an effect** of denationalization, which is coordinated **abroad** because of **the same** bandit interests!

Everything has been sold off . **Everything has been concessioned !**
Everything has been robbed ! Billions of "debts" have been accumulated to be paid by future generations because of the present, its sociopaths or psychopaths released to freedom, which is completely fixable! **Criminal** intentions have been agreed upon under Agenda 2030, strictly observed by the same Illegal, Lawless and Criminal "power" **without** being authorized, in order to encroach on **foreign** territory after 1992 on **foreign** interests **on** property or wealth out of habit for its **criminal** symbiosis with internal enemies, of the same "state" **missing** after 13.07.1992 already explained!

Despite the usurped "power" **it cannot** be legalized to go beyond the framework of the bandit representation of this OCG group **after** 1992, already **33** years of "management" of resources, national wealth for massifs as values in particularly large proportions for **the crimes committed !**

Despite being Illegal and Outside the Law, this bandit and Criminal "power" successfully gains access to the European space through mutual "treaties" **without** exception, which are Invalid, Illegal and Criminal to domestic and international law under a Law that is not only **not** respected, but is ignored because of **common** interests that are **in** conflict with national ones, **as well** as domestic and international law!

missing from the Balkan Peninsula is accepted as a "state" , which by Law is in the hands of Illegal, Outside the Law, Illegal and Criminal "authorities" indefinitely, **cannot** "independently" organize these "European holidays" (in **a foreign place**) **for the persons** hiding behind the screen by name , having an address and identification number! The authorities or the "state" are not Martian citizens, as is the suggestion as **an intention** to hide under **a common** biological mass **for** miscreants, perpetrators of serious crimes due to mental damage in criminogenic - pseudo-social consciousness of sociopathic manifestations!

After Mandatory for compliance Preclusive after 1992.07.13 by Law Blocking, Stopping, Suspending, Prohibiting effect **any** act of encroachment **against** this Legal Prohibition under the Constitution - is a Criminal encroachment of unauthorized, usurpers of "power" (namely with SCN) persons with the same Criminal **intentions** against Article **1** Paragraph **3** of the Criminal Code SG 56 1991.07.13 as a goal for their realization!

lawlessness has developed through "legislation" after 1992, which is **completely** Forbidden as a possible action! (explained)

Pseudo-corporate forms of denationalized metastases are attached to registers **without** the right to perform registration **actions (in commercial companies)** **also explained for** the so-called "Ministry of Justice"; "registration agency" **see** !

Banditry continues to aggressively and sustainably develop everywhere in everything, and in **2005** an action **prohibited** under Article **1** Paragraph **3** of the Criminal Code SG 1991.07.13 was carried out purposefully in awareness of the consequences of this deliberate but **prohibited** action of a Coup (Coup d'état) in **an attempt** to turn the former "state" into a corporation, which is completely **impossible** and confusing Europe on the path of its "development" for what it needs to be!

Proven bandits "govern" public interests for their personal interests, affected by the audacity of the crime **against** "Bulgaria" as a "state" on the Balkan Peninsula, which existed in the period between 1878-1992!

*" Law after 13.07.1992 - **none** ! Which is described in the last, already **inactive** Constitution in the text of 1991 SG 56 on 13 July / published (in force) as **an indisputable** fact, the countdown began in 1992 at 24:00 - see expert Sonya Krumova Mladenova for the time after 13 July of the same year."*

The gathering in OCG groups after 1992, after 2005, after 2024 (after the arrival of Sovereign) to find the bandits in one "pride" after 1944 in "one team" is fixable with the arrival of the Law, on the same territory of the Balkan Peninsula.

SECOND Imperative form. Sovereign, he will deal not only with these problems that have arisen within the time frame of the program for the restoration of this state on the Balkan Peninsula **that has been missing for 33 years!**

Mandatory for compliance and compliance are the official **new** name designated by the Sovereign with official **new** symbols, **new** state signs from the new grammar, **along** with the scheduled ORDERS for Information and Execution within **the deadline** Immediately / see above!

*Disjointed members of OCG groups , **for no** reason, are **publicly acting** like lunatics, driven by a traditional habit over the years to actions stored on a long list instead of lying down on their salaries; they aggressively insult the honor of Their Excellencies while spinning "jars" and causing "panic" while performing a circus in a public place during the day, in front of the excited audience under the lights of the people's and militia "power" in the description of the crimes committed in and by the "system" excited in repression - of the gun.*
